### About the American Cancer Society

For over 100 years, the American Cancer Society has been working together with you, our donor, in a relentless pursuit to lead the fight to end cancer. With your support, we have ushered in an era where more people survive cancer than ever before. As the second-largest funder of cancer research in the U.S. next to the federal government, the American Cancer

Society has translated our research findings into action, contributing to a 25% decline in the U.S. cancer mortality rate since the early 1990's. In Alaska, you have partnered with us to ensure that all Alaskan cancer patients have access to the lifesaving treatments they need by providing free rides to and from appointments, and flights and lodging for those who require treatment far from home.

### About the Anchorage Wine & Food Festival

Beginning as an intimate wine-pairing dinner in a local doctor's home, the Anchorage Wine & Food Festival has ascended to become one of Alaska's premier philanthropic events and is the most significant annual fundraiser benefitting the American Cancer Society in our state.

Thanks to the generosity of our supporters, the Anchorage Wine & Food Festival is regularly recognized for having one of the lowest expense ratios nationwide for an American Cancer Society event of this size. The 2019 Anchorage Wine & Food Festival was yet another great fundraising success, raising over \$440,000 net with less than 5% expenses.

### Event Highlights

- A refined six-course meal, each course prepared by a different Alaskan chef and perfectly paired with premium wine
- Unique items in the live and silent auctions and interactive "bid board"
- Fun "Games of Giving"
- An opportunity to hear the progress made in cancer research, prevention and treatment thanks to you, our donor, and the impact you've had on the lives of Alaskan cancer patients
